Tools   : MySQL , GitHub , 0Auth , Unreal Engine(UE-4) , Blender , Photoshop , Ethereum
Dev Tools   : Visual Studio Code, Git

EXPERIENCE

Freelance
Full - Stack Developer   *Remote*

- **Frontend** Engineered dynamic and responsive user interfaces utilizing ReactJS and TailwindCSS.
- **Backend** Led backend automation, executing Python scripts in NodeJS for streamlined data extraction via APOLLO from user-generated URLs.
- Transformed data into CSV files optimized for user downloads and collaborated closely with clients to ensure tailored solutions.

PROJECTS

Owl | React JS , NodeJS , Blockchain , TypeScript, Tailwind CSS , Mongo DB , IGDB API   View Project Here

- Engineered **Owl**, a groundbreaking platform transforming game commerce, poised to reshape the industry.
- Implemented a system where each game purchase generates a unique **NFT** and **license key**, fortifying ownership on the **blockchain**.
- Devised a robust **proof-of-transaction** mechanism, ensuring transparency and irrefutable proof of ownership.
- Introduced a dynamic feature empowering users to **resell** purchased games with **reusable** licenses.

ADM |ReactJS,React-Router-v6,NodeJS,Zod   View Project Here

- Dynamic Ad Personalization: Tailor ads to match user demographics, ensuring your brand stands out on the homepage.
- Precision Targeting: Utilize reverse geo-coding to deliver hyper-targeted ads for maximum impact and engagement.
- Effortless Management: Register now to access your dedicated dashboard for seamless ad creation and management.

Prompt | React JS, Node JS , Cloudinary API , OPEN-AI , Mongo DB   View Project Here

- Uses the Brilliant **Open AI** and **Cloudinary API** to seamlessly store AI-generated images, effortlessly created through a beautiful input form and simplistic prompts.

ACHIEVEMENTS

- Secured **1st place** among 12,000 participants at TezAsia 2k23 hackathon.
- Good at **Japanese** and have a N5 level qualification.
- Secured **1st position** at Hack7days hackathon organized by Tezos.

VOLUNTEER EXPERIENCE

- **TPG DELHI** : Member of the Core Team, helped in oraganising 10+ events across Delhi.
- **GDSC GTBIT** : Member of Web Development Team and contributed in 15+ projects with the team.
